1. Background

Village Kannaun is located in Gram Panchayat Kannaun Vikas Khand Kullu, Tehsil Sainj District Kullu, Himachal Pradesh. The valleys of Kullu district have been given various names according to their physical structure, one of which is Kannaun. Village Kannaun is located in Larji at a distance of about 60 km from Kullu headquarters. The main occupation of the people in village Kannaun is agriculture and gardening, but due to lack of proper irrigation system, people are not getting the expected increase in their income. Most of the people have very little land, due to which their livelihood is not being sustained properly. To improve their living, people earn their livelihood by doing cash crops and gardening work.

People in the village are also doing the work of weaving stoles and shawls, but production is done in a traditional way, due to which production is less and income is also less. To overcome this problem and to increase the production of woolen products, these women need information about the advanced type of machines which are suitable for this production. According to the geographical situation, there is a need for products throughout the year in this area. Therefore, by using proper training and modern machines, production can be increased as much as possible. There is also a need to prepare new products as per demand and fashion from time to time.

After the formation of Gram Van Samiti Kannaun in the village, Himachal Pradesh Forest Ecosystem and Livelihood Improvement Project told the people about working in groups to increase the means of livelihood. Through the project, 02 self-help groups were formed in Sapangani in the form of “Mahalakshmi” Self Help Group and “Dev Brahma” Self Help Group. After this, “Mahalakshmi” Self Help Group decided to do stall and shawl weaving work. 07 members including women joined this group and this group was named “Mahalakshmi” Common Interest Group.

Based on the advice, suggestions and experiences of experts in stall and shawl weaving with “Mahalakshmi” common interest group, the group members have decided to make stalls and shawls etc.
